

COLMA CREEK HABITAT RESTORATION & CREEK CLEAN-UP

Help us restore the bay! Come join the County of San Mateo's Public Works Department for the Colma Creek Habitat Restoration & Creek Clean-up. We will be planting native plants and picking up trash in the Colma Creek mudflats to help preserve our local ecosystem.

DATE/TIME: Saturday, January 11, 2019

LOCATION: 9:00AM – 12:00PM

We will meet at 180 Utah Ave near the Utah Ave. bridge over Colma Creek. After crossing the bridge, turn into the parking lot for the Colma Creek Service Road.
