- ❖ Questions

# Lifeline Transportation Grant Program

- C/CAG administers the Lifeline Transportation Program Call for Projects in San Mateo County
- Projects must target and serve low income communities
- Projects identified in a Community-Based Transportation Program (CBTP) are prioritized
- Program has historically funded capital and operating projects with a focus on transit, active transportation projects are now eligible with the current funding cycle
- Funds projects that can be implemented relatively quickly (2 years)

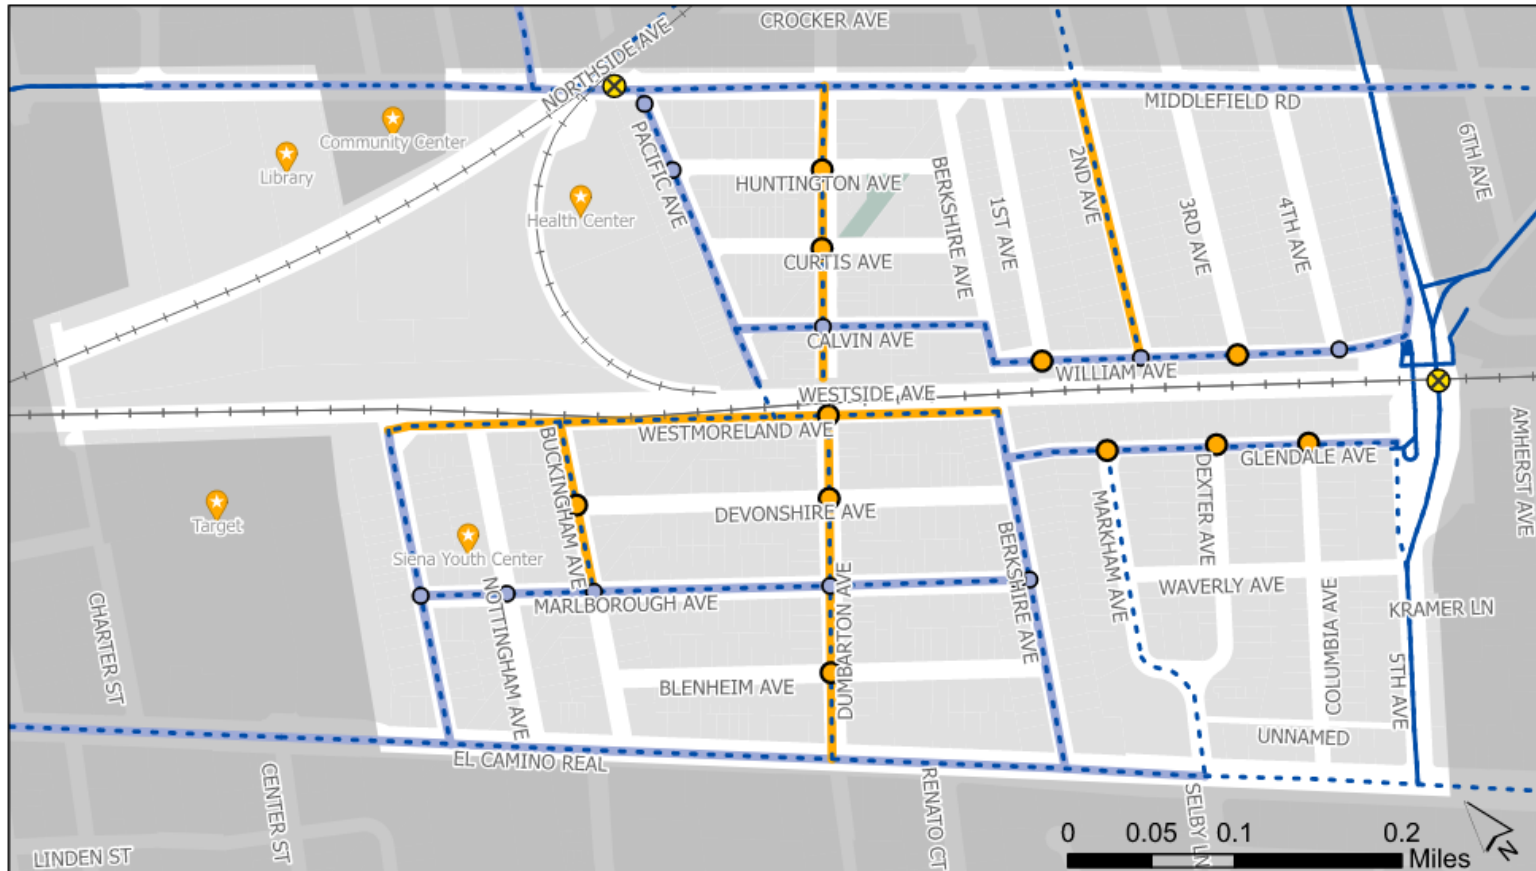

# North Fair Oaks Community Connections Project Grant Scope of Work

- Implements improvements from the North Fair Oaks Bicycle and Pedestrian Railroad Crossing and Community Connections Study:
  - Sharrows and signage from designated bicycle boulevards
  - High visibility crosswalks
  - ADA accessible curb ramps
  - Curb bulb-outs
