

Build Your Own Compost Bin Rebate Application and Requirements Effective September 1, 2017

- The County of San Mateo Office of Sustainability compost bin rebate program provides rebates to San Mateo County residents and businesses who build their own compost bins.
- The County of San Mateo Office of Sustainability encourages you to use salvaged materials whenever possible.
- Rebates available up to \$100 for purchasing materials to build a composting bin will be issued in a check.
- One rebate per household or business located in San Mateo County.
- The rebate amount will be applied to the purchase of fasteners (screws, nuts bolts, hinges, staples, nails and braces), wood (excluding pressure treated), handles, hardware cloth, and fiberglass roofing.
 - If there is an item not on this list you may need to make a bin, please ask first.
- The minimum size shall be one cubic yard (3' x3' x3').
- The rebate application must be postmarked within 90 days of the purchase of supplies.
- The original receipts must be included with the application and must be itemized.
- At least two clear post-installation photos must be included with the application.
- All rebates are subject to availability of funds.
- Rebates may take up to 30 days to process.
- Participants must allow the County of San Mateo Office of Sustainability to reference the project and use photos submitted with the application in outreach materials and respond to minimal requests for information about the project for the purposes of program reporting.
