Notice of Proposed Rate Increase for Solid Waste Services

This notice is to advise property owners of the County of San Mateo Board of Supervisors' (Board) proceedings to set rates for solid waste collection services in County Service Area No. 8 (North Fair Oaks). This notice is given in accordance with Proposition 218 and Article XIIID of the California Constitution as adoption of the rates will result in property-related charges.

Este aviso es para aconsejar a los propietarios de los procedimientos de la Junta de Supervisores del Condado de San Mateo a establecer tarifas para los servicios de recolección de residuos sólidos en Área de Servicio del Condado Nº 8 (North Fair Oaks). Este aviso se da de acuerdo con la Proposición 218 y el Artículo XIIID de la Constitución de California, ya que la adopción de las tarifas resultará en cargos relacionados con la propiedad.

本通知旨在告知圣马特奥县各房产业主，县监事会（Board of Supervisors，简称“监事会”） 拟就第 8 号县服务区（北费尔奥克斯）生活垃圾清运服务费率 开展审议程序。因本次费率一经通过将产生与不动产相关的收费，本通知依据 《218 号提案》(Proposition 218) 及《加州宪法》(California Constitution) 第 12(D) 条予以发布

Proposed Rate Increase

Solid waste service rates for North Fair Oaks are set through a Proposition 218 process, which includes a public hearing before adoption. The proposed 2027 rates are based on cost and revenue data from the RethinkWaste 2027 Rate Report, formally titled “SBWMA Final Report Reviewing the 2027 Recology San Mateo County Compensation Application” (dated on September 11, 2026). These rates were adjusted as needed to meet CSA-8’s 2027 service costs. The RethinkWaste Board approved the final report on September 17, 2026. View it at: https://rethinkwaste.org/wp-content/uploads/2026/09/1_AGENDA_BOD_09172026_FINAL-1.pdf

The County sets the rates for solid waste collection to meet the projected costs for the service area for the following year. The proposed rates for the most utilized services are listed in this notice. For all other proposed bin or cart rates, and other unscheduled services, please visit our website at sustainsmc.org/rates. The recommended rates will continue to reflect a 5 percent franchise fee that will be paid to the County by Recology to administer garbage programs and contract oversight for North Fair Oaks.

The recommended rate increase of 4.7 percent, if adopted by the Board, will take effect on January 1, 2027. The charges based on the rates will appear on the property owner’s tax bill for FY 2027-28 for all parcels with dwelling units, per County Ordinance Codes 4.04.200 and 4.04.220. , and any additional elective services will be billed directly by Recology. Commercial parcels without dwelling units will be billed by Recology directly for all services.

Additional Services terms are part of the Amended and Restated Franchise Agreement. They are considered additional elective services that are specifically requested and paid for by the customer. Rates for Additional Services terms will take effect January 1, 2027. Recology will bill the customer directly for any Additional Services requested by the customer. Additional Services rates are not property-related and are therefore not subject to the Proposition 218 rate setting requirements.

Solid Waste Collection Service in North Fair Oaks

The County holds a franchise agreement with Recology San Mateo County for collection of garbage, recyclables, and organic waste in (North Fair Oaks). The County pays Recology for residential dwelling solid waste collection services in North Fair Oaks by collecting fees from property owners via the tax roll, based on the required minimum residential service levels for the property, as outlined in County Ordinance Code 4.04.220. For customers receiving additional services pursuant to the franchise agreement, Recology bills and collects fees from these customers directly. The County Ordinance Code 4.04.440 defines the Minimum Levels of Service for County Service Area No. 8 parcels as:

- **Residential Parcels:** one (1) 64-gallon or two (2) 32-gallon carts per dwelling unit.
- **Apartment Houses** (more than four dwelling units): one (1) 32-gallon cart per dwelling unit.
- **Mixed Residential/Commercial & Industrial:** one (1) 32-gallon cart per unit/business.
- **Commercial:** one (1) 32-gallon cart per business.

RethinkWaste
