shift Employee Commute Program

Main Benefit Choose 1

Commute Cash

Earn almost \$500 per year for teleworking, or carpooling, biking, or walking to work. Commute to work, log your trips, and earn cash rewards.

Transit Subsidy

Get \$150 each month to cover the cost of taking the bus, train, or any other public transit to get to work, including Vanpools, paratransit, and Lyft Line or Uber Pool.

Choose All or Any Benefits

Caltrain Go Pass

You might be eligible to ride Caltrain seven days a week, as many zones as you'd like, as many times as you'd please, all for free!

Pre-tax Commuter Benefit

Pay for transit, vanpool and transit-related parking costs up to \$270 per month on a pre-tax basis. This lowers your costs by reducing your total amount of taxable income.

Bike Lockers

We have private bike lockers located at the various county campuses to keep your wheels secure while you're at work!

Emergency Ride Home

Have an emergency and didn't drive alone to work? You can be reimbursed for your taxi ride home!
