Annual SMC Bike and Ped Count

Julia Malmo-Laycock
Overview

San Mateo County is participating in the National Bicycle and Pedestrian Documentation Project from September 10th – 15th, 2019.

This nationwide effort follows a standardized protocol. The resulting data can be used:

• By planners
• By decision-makers
• To guide investment decisions around sustainable transportation
Overview

- Volunteers count at various locations throughout San Mateo County during specific time periods.

- Count sites the same as last year for the sake of consistency.

- Same count method is used for all intersections
Count Locations

Count locations in **purple** were counted in 2016 and 2017.

Count locations in **yellow** were new locations in 2017.

Counts in **green** are 2016 only.
Bicycle Counts

Legend
Total Bicycles per Count (2017 and 2016)

- Bikes
  - > 264
  - 200
  - 130
  - 70
  - < 1

Click on each count location for more information!
